15 October  
2008

# *A G E N D A*

*of International Workshop*

## *On the zero emission power generation*

*in accordance with International Project:*

### *“Environmentally Usage of Power”*

*with the financial support of ASO and FWF*

*Destination: Sliven, Bulgaria*

*Duration: 3 days*

*15.10.2008z.*

*10<sup>00</sup>-11<sup>45</sup> – Presentation of each participant (main research activities, especially in the field of energy efficiency, energy economics, CCS (Carbon Capture and Sequestration))*

*11<sup>45</sup>-12<sup>30</sup> - Visit at the dean*

*12<sup>30</sup>-13<sup>30</sup> – Lunch break*

*13<sup>30</sup>-14<sup>00</sup> – Tour through the university*

*14<sup>00</sup>-17<sup>00</sup> – Round Table:*

*Zero Emission Power generation (ZEPG), CCS.*

*Every participant is invited to explain the special requests of his/her own country:*

- 1) Primary energy carriers / electric supply,*
- 2) Approaches for ZEPG in the participating countries (which projects, which institutes are involved)*
- 3) Which national action programs exist in the field of ZEPG and CCS*
- 4) Emissions from industry and traffic: according to industry: who generates the main part of emissions*

*Representatives of companies, municipality and non profit organizations would be invited.*

*19<sup>00</sup> – Cocktail. Time for discussion*

15 October  
2008

16.10.2008z.

09<sup>30</sup>-12<sup>00</sup> - Brainstorming concerning common future projects: ZEPG:

1) Which partners could realise common projects in future?

2) Which topics are for the participating institutes / their countries of major interest?

Which additional European partners could be invited?

3) Reduction of CO<sub>2</sub>-Emissions and energy efficiency (in industry and private sector.

Which common projects could be initiated?

4) Exchange of students, PHD-Programs?

12<sup>00</sup>-13<sup>00</sup> - Lunch break

13<sup>00</sup>-17<sup>00</sup> - Individual discussion about certain future projects. Common statement about the meeting, determination of further steps in project.

17<sup>00</sup>-19<sup>00</sup> - Sightseeing

19<sup>00</sup> - Dinner

17.10.2008z.

Travel.
